

## Information for School and Confirmand Groups

Welcome to the Lutherhaus. So that your visit to the Lutherhaus is as pleasant as possible, we ask that you register your visit in advance. We have compiled all the important information you might need to plan your visit to the Lutherhaus optimally below. So that the visit is meaningful for students/confirmands, we recommend that you prepare concrete assignments or worksheets for your group.

### *Supervision*

- Since the Lutherhaus is a quiet place for our visitors, we ask you to prepare your students/confirmands duly for their visit to the museum so that they do not disturb other guests with noise, misbehavior, littering or the like.
- Chaperones are responsible for the supervision of their group while visiting the museum, too. They are responsible for assuring that their group observes the museum's rules of conduct. This means they are required to accompany their group for the duration of their visit to the museum.
- Damage, vandalism, and reckless and willful activation of the fire alarm or burglar alarm will be billed and/or reported to the authorities.

### *Conduct in the Museum*

- Pictures may be taken **without any flash** for personal use.
- Food and beverages may not be consumed in the galleries or the courtyard.
- Smoking is prohibited inside the entire museum.
- For the protection of exhibition objects and visitors, the museum's premises are monitored by video camera.
- Exhibition objects may not be touched. Media stations should be used with care.

### *Education*

- Attendees must preregister and make reservations for the museum education courses “School in Luther’s Day” and “Workshop” at least two weeks in advance. A course is only reserved once you have received the confirmation notice.
- Since space is limited, no more than 20 individuals (students/confirmands + chaperone) may attend “School in Luther’s Day”. No more than 24 individuals (+ chaperone) may attend the Workshop. Larger groups have to split up.

### *Permanent Exhibition*

- The permanent exhibition “Luther and the Bible” is self-guided, thus enabling visitors to discover all sorts of things on their own. Guided tours and audio guides are therefore neither necessary nor available.

### *Our Services*

- Food and beverages: Vending machines with coffee and snacks are located in the lobby. Food and beverages may only be consumed in the area around the vending machines.
- Every visitor is entitled to use the WLAN in the Lutherhaus free of charge for 30 minutes.
- Outerwear, umbrellas, backpacks and purses larger than DIN A 4 (20×30 cm) must be left at the coat check or in a locker.
